The background is a deep blue with a fine, grainy texture. Overlaid on this are several thick, hand-drawn yellow lines. These lines include a curved arc at the top, a horizontal line across the middle, a vertical line on the right side, and a diagonal line crossing from the bottom left towards the center. The lines intersect to form various geometric shapes and frames.

This year's homecoming theme was "Decades in History." There are nine girls and nine boys nominated by the senior class to be on court. The girls are Nicole Larson, Britney Murphy, Victoria Jones, Shanteasha Meredith, Drejana Anderson, Charquia Stephenson, Delisha Phoenix, Jasmine McAfee, and Morgan Yrlas. The boys are Steven Reyes, James King, James Brooks, Latreze Mushatt, Santino Acevedo, Tim Walker, Dan Warner, Evan Richards, and Adrian Tyus. The court was announced at the first pep assembly on September 7, 2007. The homecoming football game was October 5, 2007, and the dance was October 6, 2007. Our homecoming football game was against Bay City Western, whom we defeated. Latreze Mushatt and Britney Murphy were crowned king and queen at the game. The attendants to the king were James Brooks and Santino Acevedo. The attendants to the queen were Victoria Jones and Drejana Anderson. There was a good turn out for the game and the dance this year. Over five hundred people at the game and at least seven hundred at the dance.

Back to The Future

Homecoming Week

LEFT: The pom pon juniors take time to pose for the camera at the Homecoming assembly.

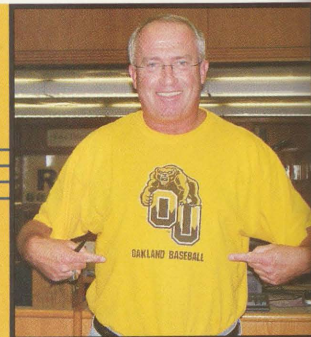

This year's homecoming theme was "Decades In History." With a great turn out from the pep assembly all the way to the dance on Saturday night, the Arthur Hill Lumberjacks showed their spirit loudly. With a long five mile parade down Adams Blvd. the spirit stayed alive during the football game, which led to a great win against Bay City Western. Spirit week consisted of 3 days. Wednesday was collar day, Thursday was college day, and Friday blue & gold day. Everything went great.

ABOVE: Ashley Bond, Tre'evana Mack, and Nicole Larson represent collars for collar day.

SCHOOL SPIRIT

Mrs. Conflitti is always the smiling happy face in the crowd. She is the student council advisor and is involved with everything around the school. Her new motto for the school is efficacious which means "can do."

Roman Cooper

BLUE & GOLD

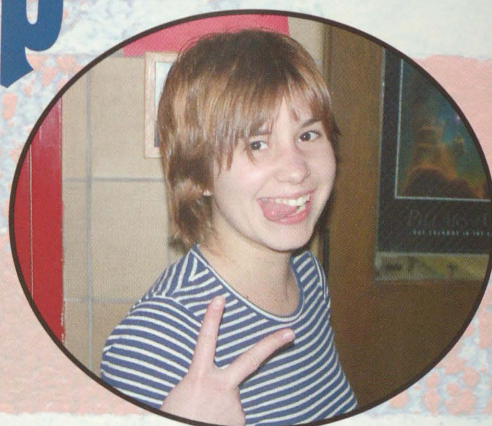

Senior Roman Cooper is all about school spirit and is all for helping spirit stay alive through the school day, the parade, and the football game.

Road Trip

"My name is Martina Thomsen, and I am from Denmark. I am 16 years old and, I have been swimming for 6 years. My dream is to travel around the world as a vet. I love to spend time with my family, but at the same time I like to party and hang out with friends."

"Fantasticsk tid pa skolen :)"

"My name is Anna-Lisa Schaap-Johansen. I'm a 16 year old exchange student from Denmark. My favorite color is green because it's an energetic color. I love to be active, and in my future I want to be a vet and travel around the world. I love to joke around with my friends, but I also love to be with my family."

"Og sa tror han kraffademig at han er sa skide lakker!"

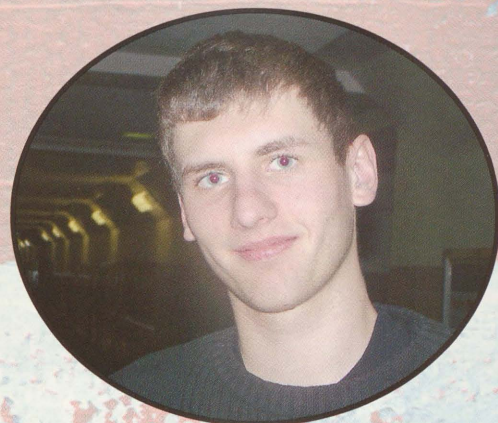

"Wassup! I'm Yelena Gareyeua. I'm an exchange from Turkmenistan, its the country of former Soviet Union. I'm 16 and a sophomore. I love to dance, hang out with friends, and travel. I love AHHS, I had an awesome time here."

"Tioka, tioka. Tipuecca Jieua."

"My name is Saya Hashizume. I'm a exchange student from Japan. I belong to YFU, I am 17 years old and in 12th grade. I was born in a small town called "Toyama." It's in the middle of Japan by the ocean. We get snow in the winter, just like in Michigan. I came here in August 2007 and I've had a great time. I love movies, books, and hanging out with friends. I've been dreaming to visit the places I saw in my favorite movies. In the future I want to live in a foreign country."

"My name is Uwe Haberkorn, and I am an exchange student from Germany. I am outgoing and love to hang out with friends. In my free time I like to play soccer and football. My favorite food is pizza and everything else that is not healthy. I really enjoyed my year at AHHS. There are a lot of cool people and school spirit. Thank you."

Seniors Making Headlines

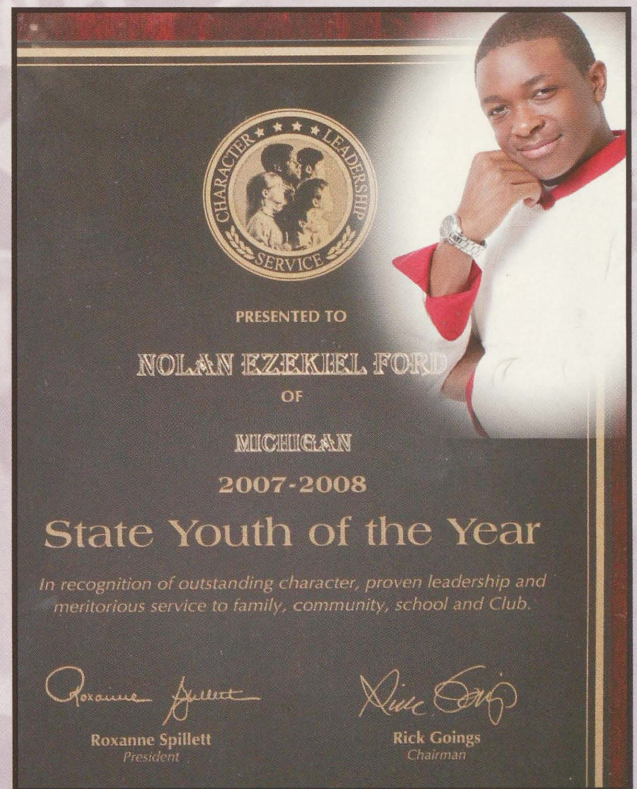

Breannah Alexander was appointed in November 2007 by the Governor to the Michigan Community Service Commission to represent people between the ages of 16 and 25 who are participants or supervisors in programs defined in section 101 of title I, 42 U.S.C. 12511.

At the 2008 MLK Regional Celebration Arthur Hill students, Sierra McKissick, Jaliessa Speight, and Breannah Alexander, were honored by the Governor for the essays they wrote in reference to the dream of Dr. King.

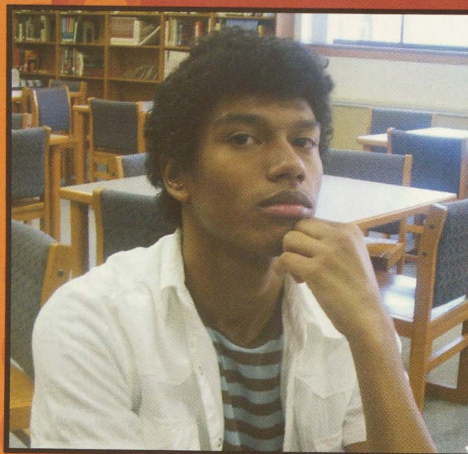

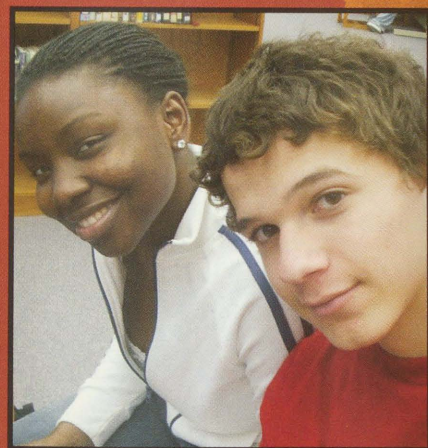

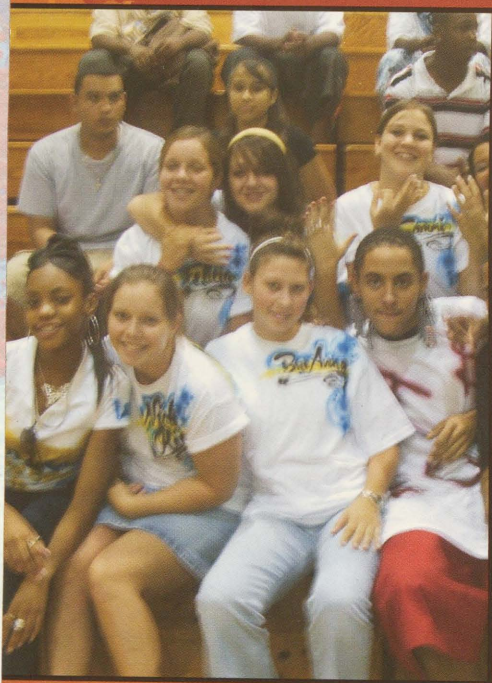

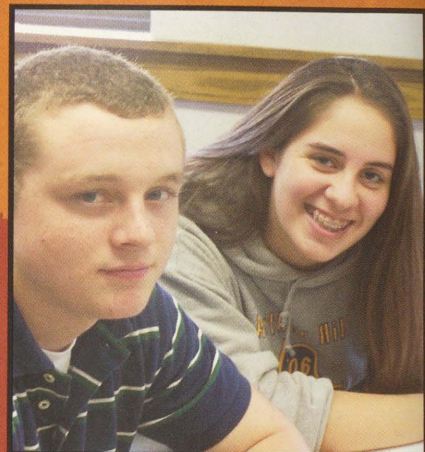

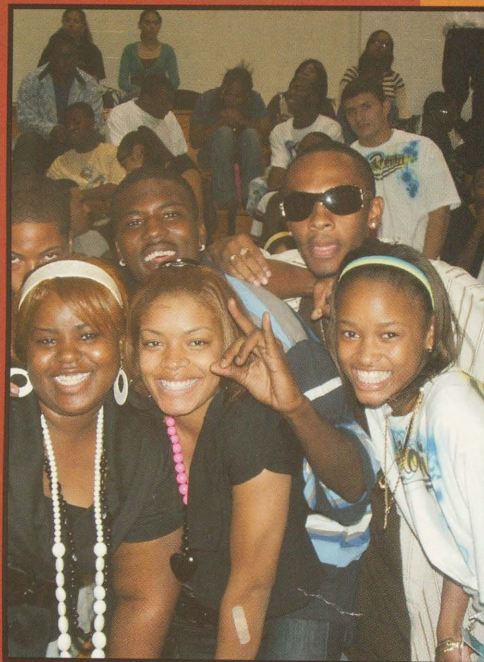

Brittany Murphy received a full tuition scholarship to St. Paul University in New York State. The scholarship was awarded to Brittany for her superb basketball skills and gives her a spot in the National College Athletic Association Women's Basketball roster.

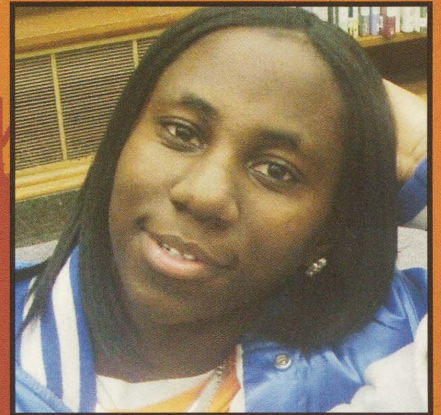

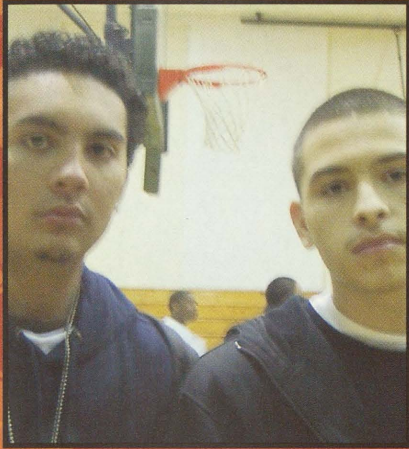

Nolan Ford was named the 2007-2008 Boys and Girls Club State Youth of the Year. Along with the lovely plague, he also received a scholarship for 3000 dollars to be used at the University of his choice.

Arthur Hill's Principals 2007-2008

We asked Mrs. Andros our principal of AHHS what she thought of this school year? She said, "A new sense of order and parents are buying in."

We asked Mr. Westbrook, assistant principal, what he thought of this school year? He said, "The school year is what the students make of it, and it's always a good school year."

" It's been a good school year. This year, like any other year, it has it's own challenges. Everyone has done pretty well, considering the pressure that students and staff have everyday. Our students and staff are tough minded, and I'm certain that we will meet and execute the challenges that face us this year."
Mr. Frost- Assistant principal.

" This school year is filled with many challenges, challenges that we as students and staff can take on together. I am looking forward to celebrating commencement with the class of 2008."
Mrs. Perez- Assistant principal

Let's Promote...

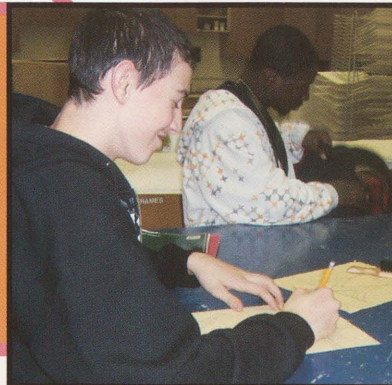

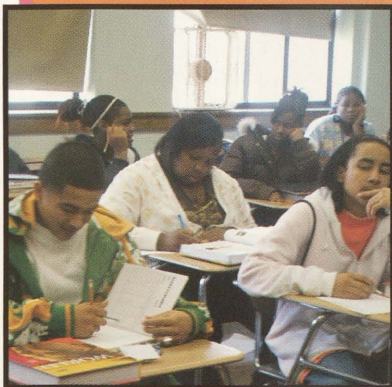

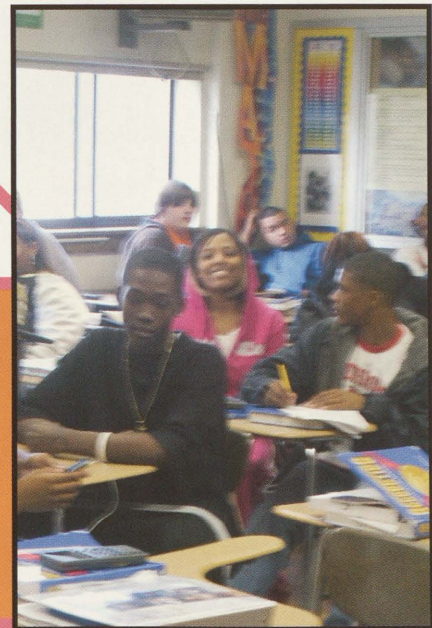

Academics

Academics are the classes everyone must take. There are thirty-two classes available. AHHS students learn in classes such as U.S. History, Science, Algebra/Geometry, and Appreciation Literature. The core subjects are required to graduate because these skills last beyond high school and college courses. But there are also several elective classes to choose from. Students passing their academics is a key to their life successes, and failure is not an option at Arthur Hill.

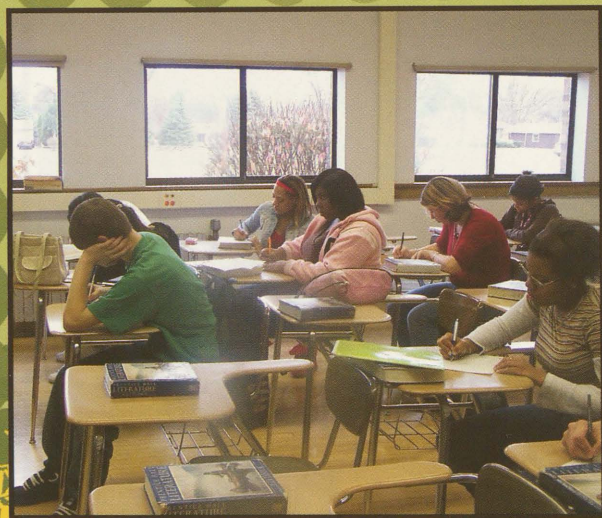

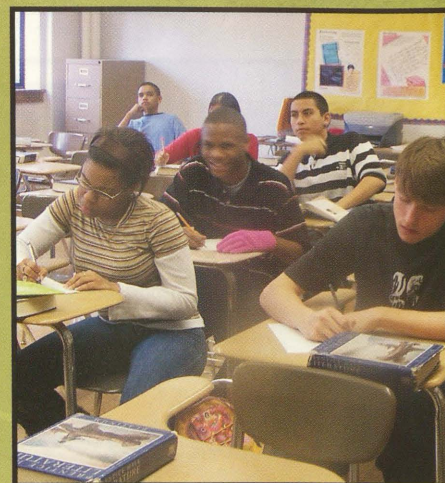

-Shanteasha Meredith

Language Arts has "Great Expectations"

At Arthur Hill High School we have a saying that "Reading is the key to success," and the teachers here tend to take that saying very seriously. Teachers are trying their best everyday to get students to read and take it seriously. Also teachers are trying to teach students that through reading they can become very successful and help their test scores to get higher. Language Arts classes help students prepare for their future college courses.

History

One of the core classes here at Arthur Hill is History. It is only required for 2 years. Most students love history; it is a easy and fun class to have. We learn about amazing people that did a lot for this country to help make it what it is today. This year we received a new teacher to our school, Mr.Rhea who came from South Middle. Everyday there is history in the making.

Science Department

October Sky

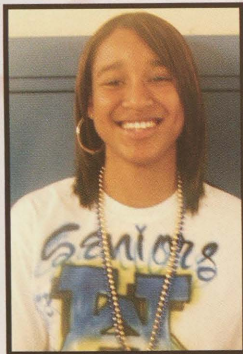

Science is one of the most important subjects that students will need in high school if they plan to choose a career in the medical field. Arthur Hill offers a number of interesting classes that students are able to take. Some classes like Chemistry and Physics may be difficult. Also these classes might make students feel that they should change career pathways, but if they study and stay focused, they will go far and in the end results will be awesome.

Exploring New Directions....

Electives

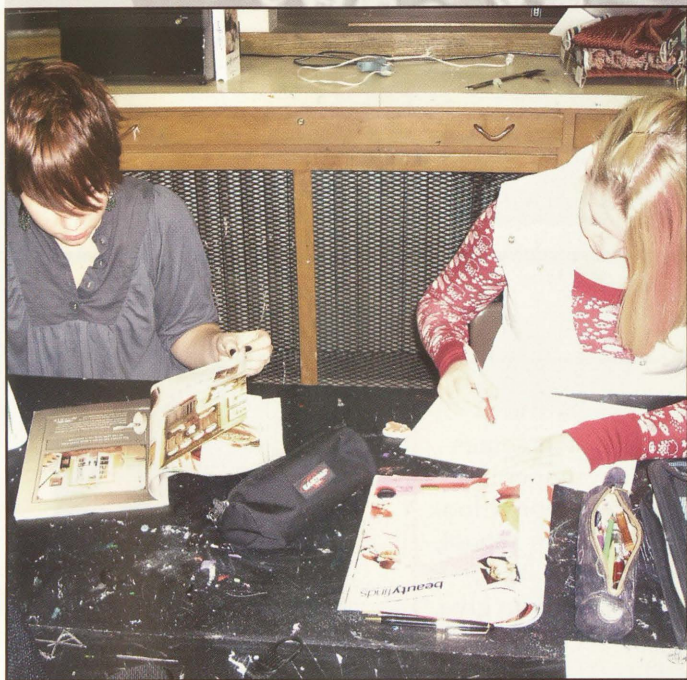

" Electives are fun and very helpful to students and they also do not put as much stress on you as the normal academic classes do."
- Artemis Imperial

Electives are just as important as core classes; they give students experience in things that could help them in the future. There are so many options that there's something for everyone
-Brittany Goslin

" Electives make school more fun and interesting. They give you extra help and get you ready for your career in the future."

Inside the Actors Studio: Drama

Drama is often times used to describe situations occurring throughout life, but here at Arthur Hill the actors use life experience to create entertainment for audiences young and old. The students not only increase their speaking abilities, but also their use of expression.

The Drama Class puts on two plays a year, one usually referencing the holiday season and the other a spring musical. This elective is popular among the students hoping to pursue theater in post-secondary schools.

-Breannah Alexander

Behind the Scenes

Meet the Actors

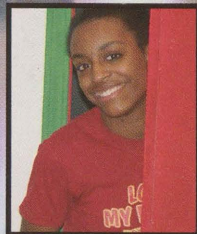

Amber Broman

"That's a bad choice of words Mr. Larsen."

Keiara Tyre Berry

"Drama has its ups and downs, but for the most part we have plenty of fun."

Lexi Chinery

"Drama is emotion, a way to be someone different."

Kala Williams

"Drama is excitement and a way to engage others in various situations."

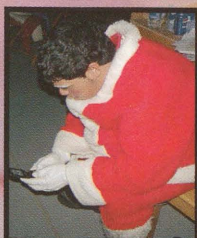

Larcel Smith

"Drama gives you a chance to change your own character."

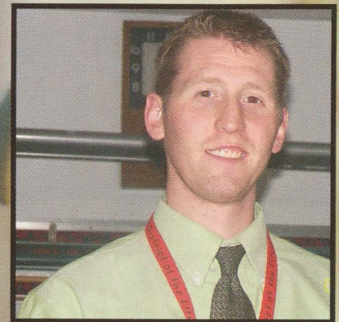

Pedro Moncada

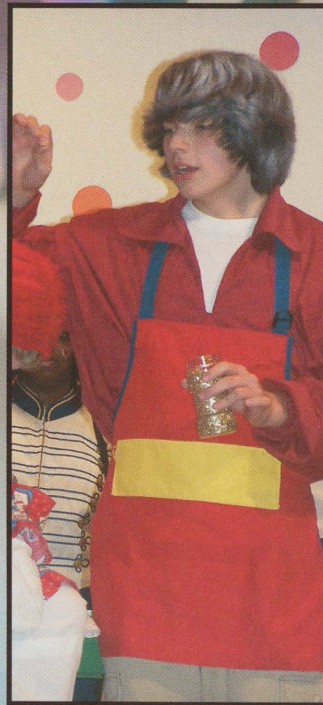

"Drama is the emotion from within your soul, a form of expression."

Meet the new Director

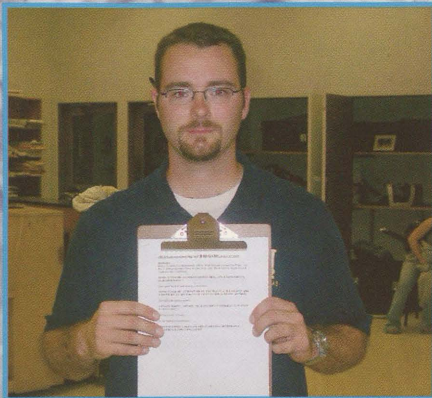

Mr. Larsen is the new Drama teacher here at Arthur Hill. He was a student teacher from SVSU last school year with Mr. Gravlin. Turns out he liked it here so much that he decided to come back and grace us with his talent. He has a bachelors in Communications and Management.

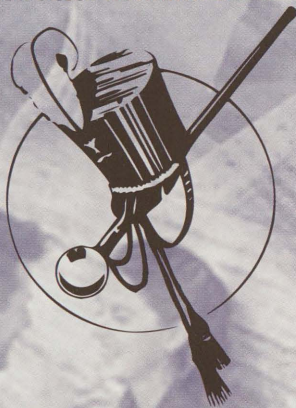

BACK ROW: Shaina, Jordan, Shakedra, Mr. Larsen, Kala, Amber, Lexi, Larcel, Samantha, Briana, Najee, Mrs. Rebney, Cornequa, Cohby.

Who Would Have Known That One Small Band Can Make Loud Music??

ABOVE: The new band instructor Edmund Boell

ABOVE: Students from Arthur Hill Band watch the game.

This year the Arthur Hill High School Band has welcomed a new band instructor by the name of Edmund Boell. He was presented to Arthur Hill in the middle of band camp, during the summer. There has been quite a few changes in the band with the new band instructor and the number of students in band. Even though Arthur Hill's Band has gotten smaller, they still put on a great show and participate in events such as the varsity football games, the Christmas Parade, and band competitions.

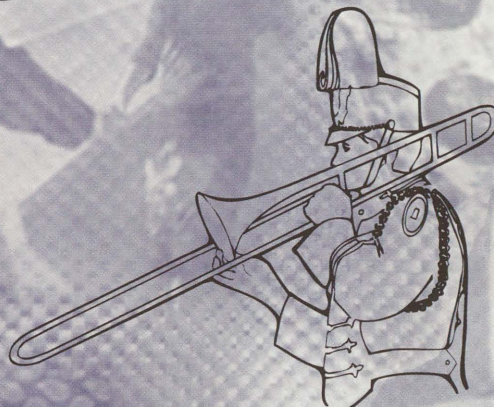

- Artemis Imperial

Marching Band

So far this year, our band has done a lot of competitions and participated in several events around Saginaw, including the Christmas Parade. They have also won competitions and placed second in the Dewitt Invitational and also received a B rating in the Marching Band Festival in October. AHHS is very proud of our band and support them 100%.

Save The Last Dance

The Flag Core...all they need is the drums to drop them a beat

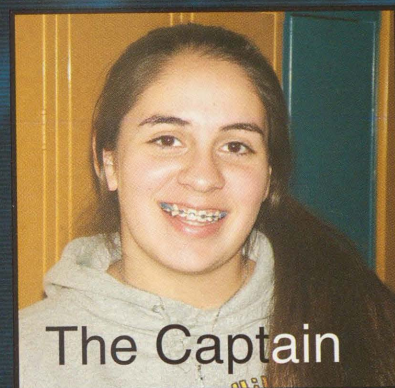

Flag Core

The Flag core has been an active force in keeping the momentum and adding moves to the rhythm of the marching band. Many of the participants range from different musical backgrounds, coming together to form routines to various pieces that the band performs. The outfits and the flag colors chosen by the members of the team correlate the emotion in which they wish to convey during their performance.

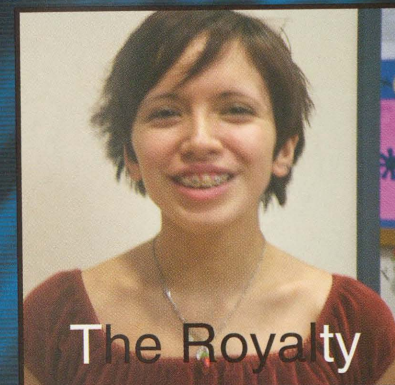

-Breannah Alexander

"I'm going to miss this group of girls so much. We all got along fantastically this year, with barely any problems. When the year began, I was pretty upset about the number of girls, but like freshman year, we made an amazing quartet. The past four years of being on Color Guard has been great. I really hope after Morgan and I graduate, the guard will grow."
-Tara Crimmons

Morgan Yrlas has been a dedicated member of the team and at the start of her senior year she was voted by her peers onto the Homecoming Court. As the end of her legacy comes to a close she reflects on her years as a member of the team in a positive way.

DRUMLINE

The Heart & Soul of the Band

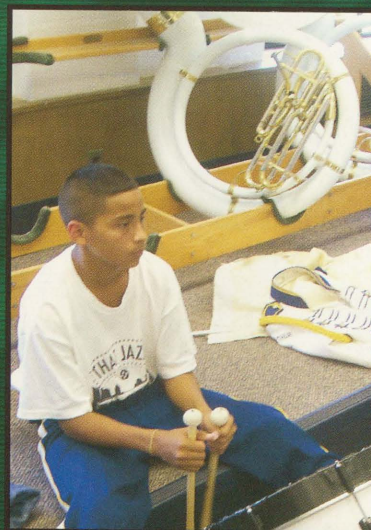

The Arthur Hill Drumline had an interesting year, not only adjusting to the size, but the new director as well. The drumline has long been characterized as being one of the top ensembles of drummers, according to the Michigan Band Festival judges. While this year the size of the line did shrink slightly, the heart of the band remained at the center of their drums. The drummers described the chemistry between them as being a pivotal role in the continued success of the line in itself. The excellent musicianship shown by the line continues to represent the dedication and excellence of the students involved in the musical performance department of Arthur Hill.

Sister Act

AHHS

Solo; Myesia Moore received the highest rating in competition.

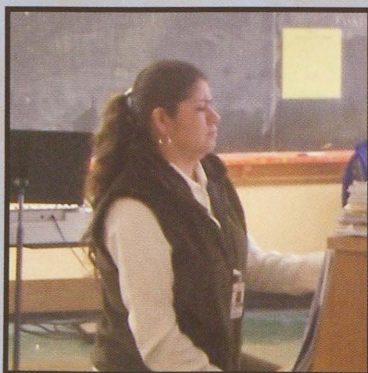

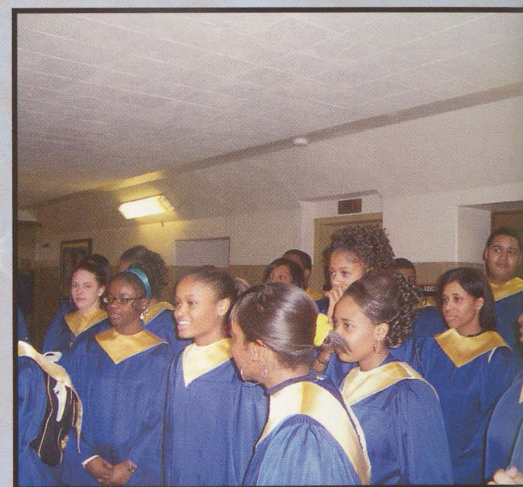

Duet; British Coleman and Tatiana Holden were rated second highest in competition

Choir

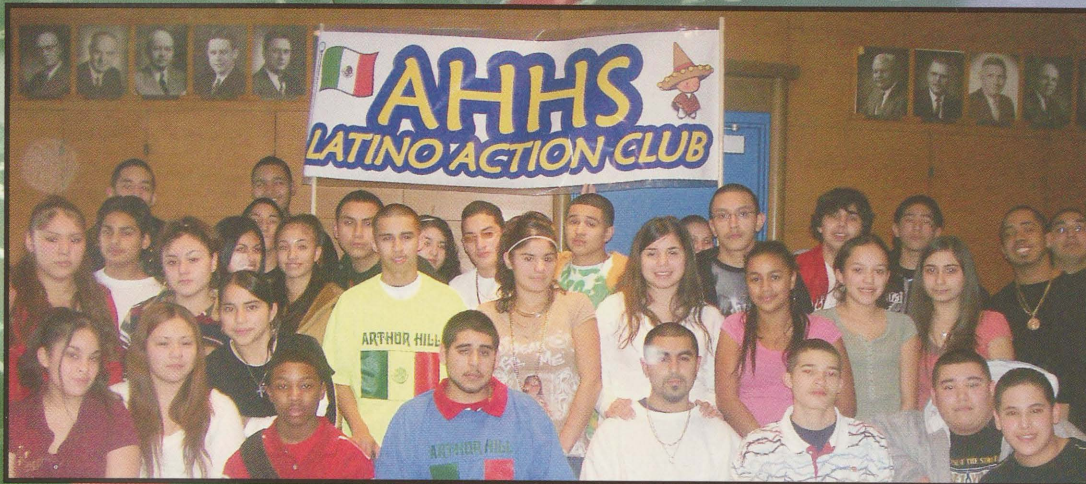

Solo; Delaneo Hernandez has been rated the second highest during competition

The new choir director, Ms. Chantaca, has been doing an outstanding job. The many choir's talented voices can be heard and enjoyed by attending one of their many performances throughout the year. The audience will enjoy the performance because the choir's hard work shows and pays off. The choir also brings holiday joy, by singing throughout the school hallways at Christmas time. The choir also takes time to sing to the elderly at the local nursing homes. They have brought many smiling faces to these individuals. Great job to all the members of this year's choir.

- Ashley Bond

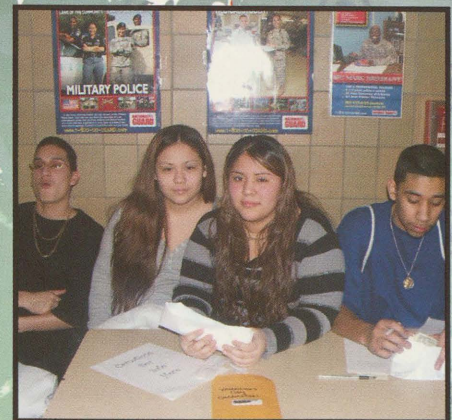

Latino Action Club

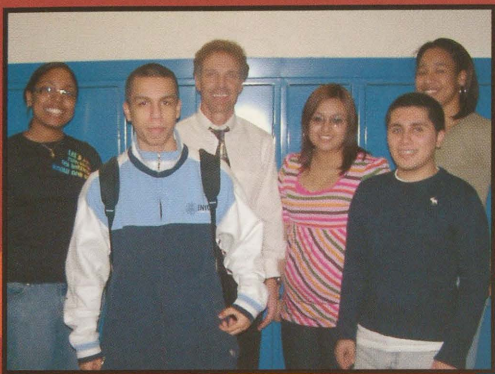

Every week the Latino Action Club meets. They talk over different plans and come up with ways to raise money to help buy products they need. They take part in the parades. In the past year they have won best float. Also they have done a lot of fund-raising, and they made baskets for the needy. We cannot forget about the Cinco de Mayo assembly the club hosts every year.

Black Studies Club

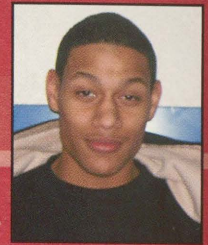

The Black Studies Club is a well organized club led by Mrs. Coleman. They participate in fun events like the 3 on 3 tournament that is held in the gym every year. The Black Studies Club benefits students in many ways through their fund-raising. The Kwanzaa Dinner is one of the major events for them. The Black History Assembly is also planned and presented by the Black Studies Club.

-Ashley Bond

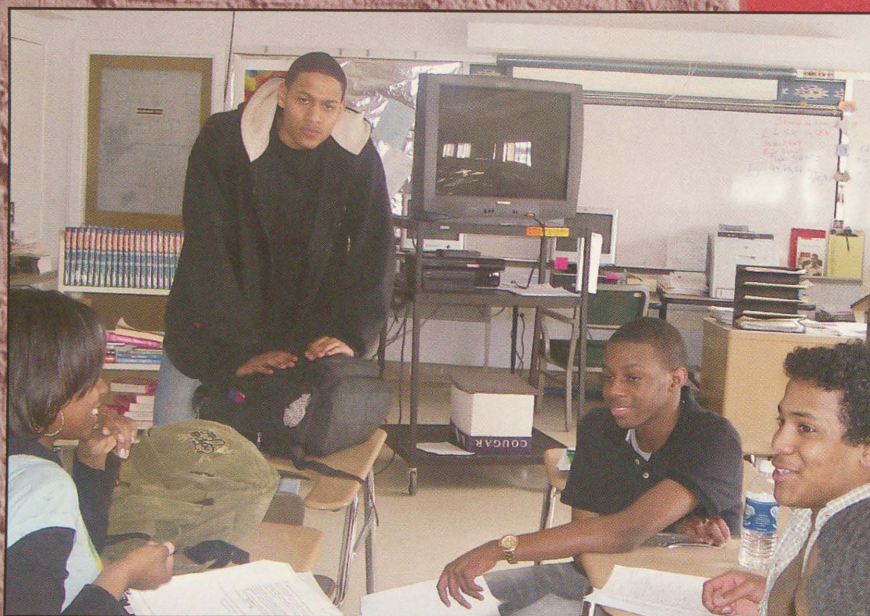

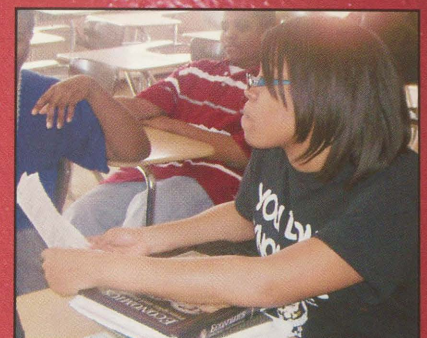

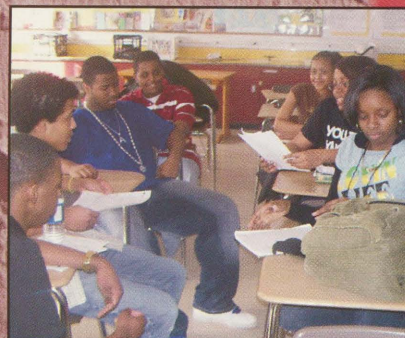

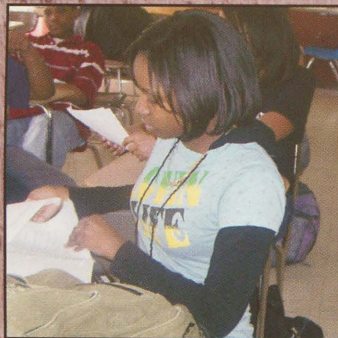

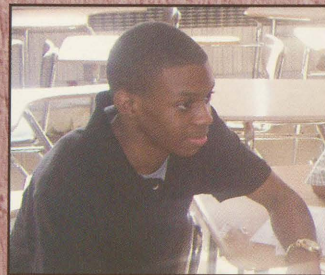

"This year has been a good year with more fun activities like the 3 on 3 basketball games and much more."

-Kiara Ward

"This year has been a lot of fun, and I really enjoyed being a member of Black Studies Club. We have had numerous activities that benefit the students here at AHHS. I am looking for more to do next year."

-Camron Boil

Key Club

Mrs. Coleman is in charge of the Key Club. The Key Club is about volunteering and getting volunteer hours for different clubs that members may be in. Key Club participates in activities like the Christmas Bazaar, Red Ribbon Campaign for Alcohol and Drugs, Death Day, Chain of Life, Holiday Celebration, Make a Difference Day, and collecting bottles for R.A.K. Outside school they help out Chester Miller basketball team. This club is involved in many outside activities and is good at helping out the community.

ATHLETICS

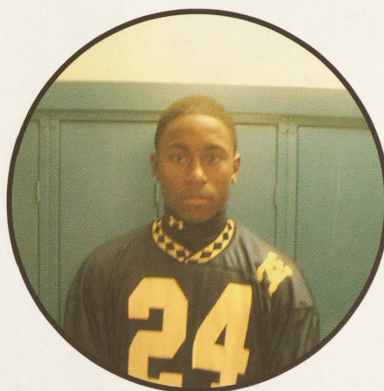

Athletics is a major part of our school. Students who participate give their all into whatever they are involved in especially with this year's varsity football. The team made it to the playoffs for the first time since 1994. All it takes is dedication and hard working students to make anything happen.

REMEMBER THE LUMBERJACKS

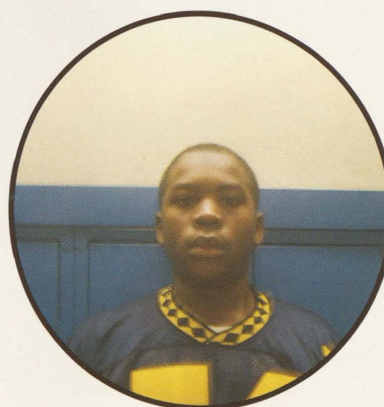

Varsity Football

James Brooks said, "It will be a memorable season."

Sundiata Young said, "I felt that it was a great season, and we are going to leave some memories to cherish."

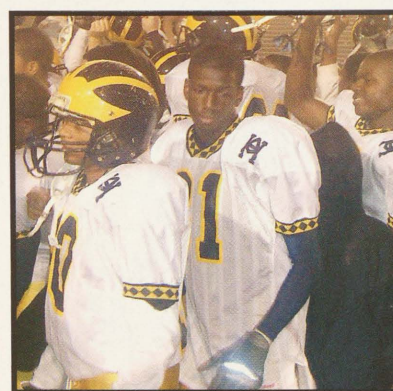

Larry Polk said, "I think it went well, and the team we had this year is better than any other team."

Ready... set... hutt! The Lumberjacks started off with determination and newfound motivation. The season began off with the Red Feather Game between the Mightly Lumberjacks and the Heritage Hawks. Our record was 7-2 this year, and we were going to the playoffs, which has not been done in 13 years. Coach Townsend said, "Get better every day and at all." The first play-off game was October 26th against Midland High. The team did great but fell a little short. The football team did a great job this year and made us very proud.

This year's Arthur Hill J.V and Freshman football teams did a good job. Junior Varsity football had a great year. All of the players were on the Freshman football team last year, and they were pumped up and ready for this year. When they started, it was harder and faster than last year, but they showed us that they were ready. They had more wins then losses, but the ones they lost were close. They are always winners to us, but now they are getting ready for varsity. Good Luck!

Freshmen boys did an excellent job for their first year here at Arthur Hill. Even though they had some hard times they never gave up on themselves and had a good season.

Boys Soccer... A Shot at Glory

The Varsity Boys Soccer team had a very competitive season against the teams in the league. While they didn't quite start off with the strongest stance, they ended the season with more experience and leadership from the underclassmen on the team. There is no doubt that next year this team will prove to be a force to be reckoned with.

COACH McMATH

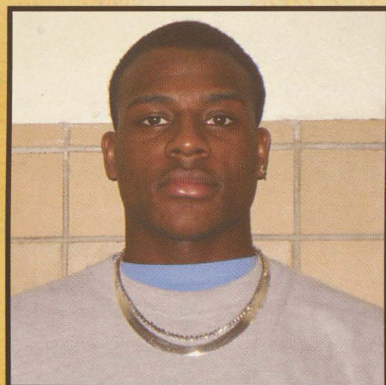

BOYS VARSITY BASKETBALL

This year's Varsity Boys Basketball team has been phenomenal. The boys this year are all good hard workers. We won some, and we lost some, but over all we always go home as winners. A winning season was accomplished by hard work and dedication from the game. They played Saginaw High for the first round for districts, and they didn't come out with the win, but the important part is that they played well the whole season. The teams moto was "get money" which means do your job. Great job this season boys.

-Shanteasha Meredith

Love & Basketball

Girls Varsity

Our girls varsity basketball team did a very good job this year. They always tried their very hardest and never gave up. Coach Wilson put lots of gym time into the team, and it paid off in the end. With five starting players returning from last year, the season started off with a win. Coach Wilson said as long as we take it one game at a time, we can focus on the present. "We can not get a big head going into games." That advise helped them a lot because they won Districts and Regionals, but with a devastating lose in the semi-finals. They did their best, and we couldn't ask for more. Great job girls.

Swimfan Boys Swimming

The Boys Swimming team has been having fun this year. Swimming is a sport they love, and wouldn't give up, or quit doing it for anything. They have worked hard, they practiced everyday, and they went into their meets with nothing but spirit and hope. Coach Skelcy tried his hardest on getting boys to come out for the team, hopefully next year there will be a better turn out.

Cheerleading is a very competitive sport. The cheerleaders have to cheer the crowd on win or lose. Also they have to have a great personality and smile so that if the team is down they can cheer them up. The cheerleaders at AHHS are very dedicated and hardworking. They represent AHHS with pride.

You got Served

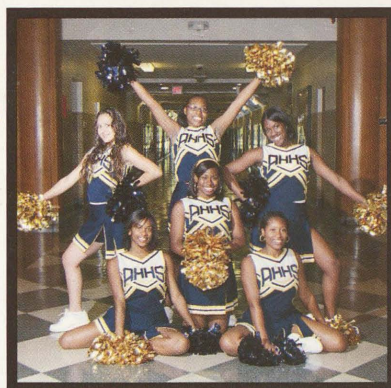

The Dance team has been great so far. They have been showing support by dancing at the games, and they also have been performing and showing off the talent that Arthur Hill has to offer. COLOPHON

Dear Arthur Hill Lumberjacks,

We would first like to thank everyone involved with the production and making of the yearbook this year. As the editors of the 2007- 2008 yearbook we would like to apologize for any wrong, misspelled, or misplaced names in the book. We did the best we could to make the yearbook correct. We appreciate the support and patience everyone had with the staff members.

Our theme this year was "A Blockbuster Year." We tried to fit a title of a movie into every headline on the pages. It has been our pleasure to create such an important part of history, and it has been an honor to be able to represent Arthur Hill High School.

Thank You,
Nicole Larson & Brittany Goslin

June 25, 1951-Janurary 16, 2008

Mrs. Pam Thompson passed away earlier this year from a lengthy battle of breast cancer. She was a science teacher here at Arthur Hill High School. She also taught at various other schools in the district including Saginaw High and North Middle School. In 2005 she received the Outstanding Achievement in High School Chemistry Teaching award from the Midland section. She also received the teacher of the year award from the Central Region from the ACS in 2006. She will be missed greatly.

Excellence

Can be attained if you...

Care more than others think is wise,
Risk more than others think is safe,
Dream more than others think is practical,
Expect more than others think is possible.

Congratulations
Twins!

Sonny,
 I am so proud of you. I always knew that you were smart,
 whatever you choose to do in life always remember the best friend
 you could have is "Jesus". ALWAYS seek his wisdom, for he will
 never let you down. May all of your endeavors come to pass; just
 stay **FOCUSED ON YOUR DREAMS.**
 Love you always,
 Your Aunt,
 Dora

Congratulations Sundiata Young

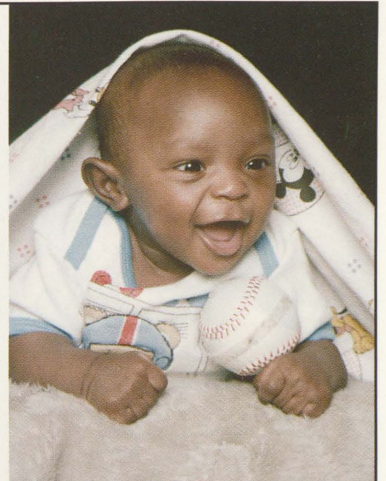

My Beloved Son Sundiata,
